Kylemore Nursery School Newsletter

TERM 1 PARENTAL SURVEY

We will be sending you a link to a survey to give us your thoughts on how this year has been so far for you and your child. We appreciate you taking the time to complete this and any ideas or suggestions will be considered by the staff. Thank you in advance. It's always good to read your comments about our nursery school.

Christmas Music

Parents usually come into school to listen to the children singing their little Christmas tunes and unfortunately this year it is not possible to welcome you in. We love this event and we will miss it too. You will receive links to your child's class singing but since some parents have not given permission for their children to appear on our website or on social media this may only be possible on Evidence me - this limits us to 2-minute snippets - it will be brief, but we will do our best to show you what your children have been learning and singing.

Christmas Gifts and Cards

Parents have always been very generous giving gifts to staff. This year we respectfully ask that you please do not bring gifts or cards for staff or for children. Due to Covid-19 we will not be distributing cards etc.

PRESCHOOL PLACES FOR 2021/2022

Unfortunately, this year it is not possible to have an Open Day due to the current Covid-19 situation. We will be putting information on our school website and will be available to talk on the phone to any parent who would like to find out more. This will be done at a time when staff are not working with the children. Leave a message and we will get back to you.

Preschool applications will be made by parents using the EA School Portal from Thursday 7th January 2021. You can select several settings - 1st choice, 2nd choice, 3rd choice 4th choice etc. All birth certificates and supporting documentation can be uploaded to the system this year and no paper copies will be required in nursery. There will be ads on TV or in the Press to share the procedure around Christmas time.

As this is a huge change for many parents, we will offer telephone support to complete the on-line forms if you require it. Please share this information with your friends.

PRIMARY PLACES FOR 2021/2022

All children who will be 4 years old on or before 01/07/21 will transfer to primary school. The same online procedure applies. You must register your child online for a Primary place. Please do not forget to do this! Last year our children transferred to 13 schools and we will be sharing fliers with you as requested by the primary principals. This does not mean we are linked to any particular schools - we simply share what we are given. Then it's up to you as a parent to make your decisions.
