

PLANNING FOR LEARNING

THEME: If we were in school, we would be following the children's lead in planning for play and attempting to include People who Help Us - looking at familiar jobs and services.

SHAPE: Heart shapes to mark Valentine's day

REMOTE LEARNING – is not all about using ICT... we understand there are pressures on parents to provide for children who are at different stages of education. We do not want to add to your burden and create issues. So we share with you via Evidence Me 3 times each week and we add little ideas on our Facebook and Twitter pages. You can easily view these if you are not on Facebook or Twitter by logging into our website www.kylemorenursery.com

SELF CARE - Look after yourself and your child - <https://www.elsa-support.co.uk/wp-content/uploads/2021/01/Express-yourself-5-day-challenge.pptx>

READ WITH YOUR CHILD EVERY DAY - it doesn't need to be a story book always - but children learn from our example, so let them see you reading letters, magazines, cereal packs and even the Sauce bottle! Here's our favourite website if you want to search for a book to read or listen to.

Don't forget your library membership allows you to download e-books for your child! [Home \(librariesni.org.uk\)](http://www.librariesni.org.uk)

ACTIVITY IDEAS - Boromi <https://www.boromi.co.uk/> is a useful source of ideas that we share daily with you on Evidence Me or you can sign up for yourself to receive the email daily. Some parents have done this already and are finding it useful.

EXPLORING MATHS PACKS Our packs are available for pick up in nursery on Thursday 4th February from 09.00 - 14.00

TRANSPORT BAN THE BUGGY: By now your child should be walking most places without the aid of a buggy. While the buggy makes it quicker for adults to move children around and have control over them, there is a great deal of evidence that shows that young children are not developing the physical skills they need. So please ditch the buggy and get your child active!

SCHOOL FUND

Please do not submit any further payments until school re-opens, any refunds required will be added to the system before the end of February.

Midterm break Thursday 18th and Friday 19th February 2021 - no school available for Keyworker children or Vulnerable children

FEBRUARY RHYMES & SONGS

Barney Song

I love you, you love me,
We're a happy family,
With a great big hug and a kiss from me to you,
Won't you say you love me too?

Me & My Teddy Bear

Me and my teddy bear have no worries, have no cares,
Me and my teddy bear just play and play all day.

I love my teddy bear, he has one eye and has no hair,
But I love my teddy bear, we play and play all day.

Every night he's with me, when I climb the stairs,
And by my bed he listens, until I say my prayers.

The Fireman (to the tune of I'm a little teapot)

I'm a fireman, dressed in red,
With my firehat on my head,
I can drive the firetruck, fight fire too,
And help make things safe for you!

Fire Fighter! (to the tune of Frere Jacques)

Fire fighter, fire fighter,
 You are brave, you are brave!
 Putting out the fires, putting out the fires,
 Lives you save, lives you save!

The Doctor (to the tune of the Farmer in the Dell)

The Doctor makes us well, the Doctor makes us well,
 Hey! Ho! What do you know?

The Doctor makes us
 The postman brings the
 The firefighter puts out
 Policemen keep us safe

well.

Miss Polly

Miss Polly had a dolly who was sick, sick, sick,
 So she called for the doctor to come quick, quick, quick,
 The doctor came with his bag and his hat
 And he knocked on the door with a rat-a-tat-tat,
 He looked at Dolly and shook his head,
 And said Miss Polly "Put her straight to bed!"
 He wrote on a paper for a pill, pill, pill
 I'll be back in the morning with my bill, bill, bill!

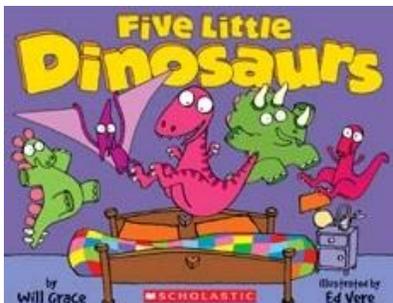

Row, Row, Row Your Boat

Row, row, row your boat, gently down the stream,
 Merrily, merrily, merrily, merrily, life is but a dream/
 Or: if you see a crocodile, don't forget to scream!

5 Little Dinosaurs

5 little dinosaurs bouncing on the bed,
 1 fell off and bumped his head
 Mamma phoned the doctor and the doctor said:
 "No more dinosaurs bouncing on the bed!"
 4 little dinosaurs
 3 little dinosaurs
 2 little dinosaurs 1 little dinosaur

Driving along on a big red bus,

What did we see today?
