JUST A REMINDER – WHEN WE RETURN TO NURSERY SCHOOL

We are looking forward to welcoming you all back to nursery on Monday 8th March. Until then there will be regular updates from the staff via Evidence Me. Some children may be reluctant to return while others will be delighted to see the staff and their friends again. It's important that we all respect their feelings.

On your return you will receive a **Hygiene pack** that will help you reinforce the messages of washing our hands, using tissues and disposing of them hygienically with your child. There's also a timer included to focus on the concept of time when brushing teeth/washing hands.

Please remember –

- ✓ **Always wear a mask on school premises** unless you are exempt for medical reasons
- ✓ **Use the heart markers** to wait for entry
- ✓ **Maintain your distance** from all adults including staff

Your child needs to bring a **bag every day** with:

- ✓ Water bottle containing water only for drink during the session
- ✓ Waterproof clothing and Wellies for Outdoor play as we will spend most of our time outdoors
- ✓ A change of clothing to include underwear, trousers, socks and top. This is essential for accidents and after getting wet through play

Remember there are several ways for you to contact us if you have any queries:

- ✓ 028 7034 4893 and please leave a message! We will get back to you
- ✓ info@kylemorens.coleraine.ni.sch.uk

Did you know that Wednesday 3rd March is World Maths Day! Add humour and laughter to your day with some maths themed jokes. A quick search online can bring up lots of options or ask children to create their own joke to share. Some favourites are:

- **Why was 6 scared of 7?** *Because 7 8 (ate) 9!*
- **Why did the maths book look so sad?** *Because it had so many problems!*
