

Kylemore Welcome Newsletter

At Kylemore Nursery we want to develop children who will become lifelong learners as a result of the wealth of experiences on offer in our nursery school.

Dear Parents/Guardians

It is with great pleasure I introduce myself to you as the newly appointed Principal of Kylemore Nursery School. I am honoured to have the opportunity to lead a Nursery school with such an excellent reputation.

I have been a Foundation stage teacher for 16 years and value and enjoy this important stage in children's lives. I am married with three children and live locally.

Along with the teachers and staff I will work hard to continue to provide a high quality pre-school experience by building strong relationships with parents, children and the community. I am looking forward to this school year and getting to know you and your child/children as we work together to meet the needs of all children within the Nursery.

Please feel free to stop in and say hello, as my door is always open. If there is anything I can assist you with, please let me know.
